

Name: Tasha "Taz" Criss

Email Address: rvc6@us.mensa.org

Office or Committee: Regional Vice Chair – Region 6

Report Time Period: July – September 2016

What are the specific accomplishments, projects or activities that you have had for the reporting period?

I have written three RVC columns (July, August, and September). I attended the June AMC meeting at the Annual Gathering in San Diego, CA, and I participated in the August AMC teleconference. I participated in the Finance Committee June teleconference with our audit team. I participated as a member of the Communications Committee and Leadership Development Committee, and I chaired the Site Selection Committee. I also continued to head up the Leadership Development Committee's subcommittee on the Leadership Interactive Training (LIT) program.

I traveled to visit Mensa 76, spending several hours with members, answering questions and offering suggestions for new ideas that the group could use to benefit their programs.

How do they tie in with the AML Strategic Plan?

Membership – visiting local groups and meeting with members

Leadership Development – serving on the LD Committee and developing the LIT program

Governance – participation as a member of the AMC and other committees

Finance – participation as a member of the Finance & Audit Committee

If you have a strategic plan or goals for your region, how do they tie into your regional plan?

I still have the goal of completing my circuit of all of the local groups in my region in this term. There are 5 groups remaining for me to visit, one of which I already have scheduled.

Are there any things that happened in your region that particularly stand out, and why? If yes, please include information on whether they are positive, negative or neutral and how broadly applicable you consider them to be (e.g. exportable to other regions).

The interval between the summer and fall meetings is the shortest between all meetings, so I was only able to travel to one local group this quarter. That travel was very well attended, with about 20 members coming out to ask questions and share ideas.

What ongoing or future projects do you have planned, and in what timeframe?

I will continue to work on committee projects as well working directly with local group leaders to provide resources for their projects and challenges.

What methods, goals, performance indicators and/or measures are you using to determine the success of your program? Please include both previous quarter progress toward goals and specific goals in the upcoming quarter.

I continue to use both the monthly reports and direct correspondence with my local groups' officers to

seek out both problems and opportunities within the region.

What additional information, assistance or policies do you need to accomplish these projects?

None at this time.

If appropriate to your position, how were your discretionary funds spent this quarter? How did this benefit Mensa/your region?

I did not use any funding this quarter.
