

Name: Tasha "Taz" Criss

Email Address: rvc6@us.mensa.org

Office or Committee: RVC – Region 6

Report Time Period: March 2018 – July 2018

What are the specific accomplishments, projects or activities that you have had for the reporting period?

I have written four RVC columns (April, May, June, and July) as well as my annual report for the membership. I attended the March AMC meeting in Denver, CO. I participated in the April AMC teleconference.

At Gulf Coast Mensa's Regional Gathering in May, I hosted a Meet the AMC session with First Vice Chair Lori Norris, RVC 2 Jason Seiler, and Executive Director Trevor Mitchell.

In addition to my duties as RVC, I have participated as a member of the Finance Committee and chaired the now-dissolved Site Selection Committee, the newly-formed Events Committee, and the Leadership Development Committee.

How do they tie in with the AML Strategic Plan?

Membership – meeting members from around the region and country

Finance – participation as a member of the Finance Committee

Governance – participation as a member of the AMC and other committees

Leadership Development – see the LD Committee report

If you have a strategic plan or goals for your region, how do they tie into your regional plan?

I want to facilitate as many inter-group connections as possible within the region, for members and officers. It is my firm belief that by sharing ideas and best practices between local groups, all groups can benefit.

Are there any things that happened in your region that particularly stand out, and why? If yes, please include information on whether they are positive, negative or neutral and how broadly applicable you consider them to be (e.g. exportable to other regions).

Central Oklahoma Mensa has been working hard to get themselves back into compliance with their own bylaws regarding officers. I appreciate their efforts to make sure they do things in the proper manner.

What ongoing or future projects do you have planned, and in what timeframe?

I am working out my post-AG travel schedule. I plan to visit some of the more remote areas in chapters where I have already been to the major population centers.

What methods, goals, performance indicators and/or measures are you using to determine the success of your program? Please include both previous quarter progress toward goals and specific goals in the upcoming quarter.

I continue to use direct correspondence with my local groups' officers to seek out both problems and opportunities within the region. I will also continue to make myself available for as many in-person meetings around the region as possible.

What additional information, assistance or policies do you need to accomplish these projects?

None at this time.

If appropriate to your position, how were your discretionary funds spent this quarter? How did this benefit Mensa/your region?

I did not spend any discretionary funding this quarter. I did provide \$400 to Central Oklahoma Mensa for a Music Night they held featuring professional musicians and their own members performing for the group.

Additional comments:

I want to again praise the national bylaws committee and the work they do. They have continued to assist my local groups in their efforts to revise their bylaws.
