

**Name:** Tasha "Taz" Criss

**Email Address:** rvc6@us.mensa.org

**Office or Committee:** RVC – Region 6

**Report Time Period:** December 2018 – March 2019

---

**What are the specific accomplishments, projects or activities that you have had for the reporting period?**

I have written three RVC columns (January, February, and March).

I participated in the December AMC conference call. I also participated in the budget conference call as a member of the Finance Committee. As the incoming Treasurer, I will be working closely with Treasurer Deb Stone on the budget webinar prior to the March AMC meeting.

In addition to my duties as RVC and on Finance Committee, I have participated as a member of the Leadership Development Committee and chaired the Events Committee.

---

**How do they tie in with the AML Strategic Plan?**

Membership – meeting members from around the region and country

Finance – participation as a member of the Finance Committee

Governance – participation as a member of the AMC and other committees

Leadership Development – participation as a member of the Leadership Development Committee.

---

**If you have a strategic plan or goals for your region, how do they tie into your regional plan?**

I want to facilitate as many inter-group connections as possible within the region, for members and officers. It is my firm belief that by sharing ideas and best practices between local groups, all groups can benefit.

---

**Are there any things that happened in your region that particularly stand out, and why? If yes, please include information on whether they are positive, negative or neutral and how broadly applicable you consider them to be (e.g. exportable to other regions).**

I am thrilled to see that my region has three capable candidates to be the next RVC in Region 6. I think it speaks well of the region that so many people are interested in being engaged to benefit our region at the national level.

---

**What ongoing or future projects do you have planned, and in what timeframe?**

I have begun to create a full transition report for each chapter in the region. This will be provided to my successor prior to their taking office.

I am hoping that we will see increased participation in the Mensa Cares! initiative this year. This great opportunity to coordinate a wide variety of community service events generates a great potential for both member engagement and publicity.

---

**What methods, goals, performance indicators and/or measures are you using to determine the success of your program? Please include both previous quarter progress toward goals and specific goals in the upcoming quarter.**

I continue to use direct correspondence with my local groups' officers to seek out both problems and opportunities within the region. I will also continue to make myself available for as many in-person meetings around the region as possible.

---

**What additional information, assistance or policies do you need to accomplish these projects?**

None at this time.

---

**If appropriate to your position, how were your discretionary funds spent this quarter? How did this benefit Mensa/your region?**

I did not spend any discretionary funds this quarter.

**Additional comments:**
